## MIKE'S MEANDERINGS

Here we are, into the middle month of summer, WoW! Not a heckofalot went on in June but what did happen went over very well. 9th District convention was a success, a lot of time and hard work was put into this by the officers of the Post, Auxiliary, Volunteers and staff at the club. Events like these cannot be held at Post 21 with help from the entire family.

Once again I would like to thank the group (and you know who you are) for helping feed the volunteers who helped with the landscaping at the MSG Eric Marts and family home. What a great feeling it was to see 80 plus adults, young adults and children helping out one that has sacrificed so much for us.

July looks to be busy one also, please note within the Herald when certain closing or other event have changed the times and days are listed in the newsletter.

Mike,

Please have a fun filled 4th of July and celebrate safely/

Pray for those in harms way and thank a Vet for making these holidays possible.

## COMMANDERS CORNER

Let me introduce myself. My name is Les Forman. I am a Viet Nam veteran and a long time Legion member. My wife and I have been in this area since 2012. I have been Boy's State Chairman and First Vise Commander for the past three years.

Our post saw fit to elect me Commander during our June meeting. Please feel free to offer your advice as I am new to this responsibility. Our post does a lot of exciting things. Helping veterans and youth is our primary mission.

Please consider attending our monthly meetings, the second Monday of each month at 7:00 pm. We have over six hundred members, but we usually have less than fifteen people attending our meetings. Just think what we could accomplish if more members showed up and offered to help. There are a lot of tasks that go undone. Many veterans and youth in our community may not receive the help and recognition that they deserve.

Hope to see you at our great club. Introduce yourself and ask any questions you may have.

For God and Country.

Les Forman

## FARGO VA

The Fargo VA's Volunteer Caregiver Support In Home Respite Program provides Veterans with the opportunity to have friendly volunteers come into their homes and provide a break for their primary caregiver. Compassionate volunteers are carefully matched with Veterans based on geographic location and common interests.

The volunteer providing support will visit once or twice per week for a few hours each visit. During the visit the volunteer will provide companionship, recreational activities and intellectual engagement. Volunteers do not provide any hands-on care to the Veteran. These visits boost the mental health and quality of life of Veterans in our community while giving the caregiver a much deserved break.

This program is currently available to Veterans in Grand Forks and within 40 miles of Grand Forks. If you're a Veteran in this area who is interested in having a volunteer come into your home and provide a break for your primary caregiver, or if you're interested in providing companionship as a volunteer, call us at (701) 239-3700 extension 9-3786.
