MIKE'S MEANDERINGS

With the coming of September it is also the last month of me being your Club Manager. As of October 1st, Scott Moen will be handling the daily responsibilities of the Club recommended by the House Committee to the Post, Scott was unanimously approved. Rest assured, Scott will be as good as a Club Manager as one could hope for. Congratulations Scott.

With my successor named, I will be handing him the reins October 1st. I still recall my first message in the Herald 23 years ago almost to the day, I thanked the Post for selecting me for the job running the Club, now I thank you for keeping me in my position for all those years. There aren't enough pages in this newsletter to list the friends I've made and the friends I've lost being associated with Post 21.

I might not be in charge anymore but I'm not retired. Again a thank you TO the numerous volunteers, members, guests, friends and especially to my fellow co-workers. I would not have lasted these many years without everyone's help and input welcome or not – ha!

Mike,

I hope contributors to the newsletter will continue to ask the membership to pray for those in uniform who protect us.

Thanks Again, its been a great Ride!

COMMANDERS CORNER

Summers gone and Fall is the start of a new season. A new season is also starting at our post home. We have a new Club Manager, Scott Moen. Scott is no stranger to our Club as he has been involved in many efforts to improve our Club. Scott will be installing a new computer system to make club management simpler and more accurate. Please welcome Scott and do all you can to make the transition seamless.

This will be my last Commanders Corner as I will be stepping down October first. Gary Schulz will assume the position of Post Commander. I know he will do a great job in his new role. I want to thank everyone who has helped me during the last two plus years.

A lot of people will be assuming new leadership roles in our post. Help and encourage these people as they will be learning their new duties.

Finally we have a fund raising opportunity on September 13th and 14th. Our post will be selling Brats at the West Fargo Hornbacher's. Those who participated last year had a great time and we made some money for the RRR Campaign. Consider helping if you can.

For God and country,

Les Forman, Commander

Fargo National Veterans Cemetery

By Les Bakke

On Sept 7, 2019, the Department of Veterans Affairs will dedicate a new Veterans National Cemetery at 8709 40 Ave N, County Road 20, Harwood, ND. Funds were authorized and the VA purchased the land in June 2016 for \$93,445. The land is 4.82 acres and will serve burial needs for more than 30,000 Veterans, spouses and eligible family members. It will be the first Veterans National Cemetery in North Dakota, similar to the Ft Snelling National Cemetery in Minnesota. The cemetery is part of the VA National Cemetery Administration Rural Initiative to provide access to VA burial benefits for Veterans who reside in rural areas and who have not previously had reasonable access to a national Veterans cemetery. Cemetery construction was done by Valiant Construction from Louisville, KY and the design consultant was Anderson Engineering of Plymouth, MN. The cemetery will provide casket burials, in-ground cremation burials, columbarium niches for cremation burials and a memorial wall. This is a National cemetery. The one by Bismarck is a State Veterans Cemetery. National Veterans Cemeteries are open to eligible Veterans, so I expect some MN Veterans will choose to be buried at the Fargo Veterans National Cemetery. The VA, as with all Federal agencies has rules governing the naming of cemeteries which must represent the geographic area of the local.

The United Patriotic Bodies have taken on the project of providing honor guard services for burials at the cemetery. The United Patriotic Bodies' membership includes a representative from the American Legion, VFW, American Veterans (AMVETS), Disabled American Veterans (DAV) and Vietnam Veterans of American (VVA) of Dilworth, Moorhead, Fargo, West Fargo and Harwood.

The United Patriotic Bodies' members will serve as honor guard for burials. Honor guards will provide bugle service, rifle firing and flag folding for the deceased Veteran. The Patriotic Bodies decided to use a unique uniform for their duties along with head gear of the members' home post or chapter.

Fargo National Veterans Cemetery

In order to purchase uniforms, the Patriot Bodies is holding fund raising activities. The first will be a 'Pasta with Patriots' for the Fargo Memorial Honor Guard, sponsored by the Dilworth Lions and held at the Dilworth VFW Post, 1505 Center Ave W n Dilworth. The meal will be served from 5:30pm to 7:30pm. Along with the meal, there will be a silent auction with many wonderful donated items from local members and organizations. The Fargo Memorial Honor Guard organization is in the process on incorporating with the State of North Dakota and applying for IRS 501(c)3 status as a charitable organization.

For more information, contact your Post Commander or Adjutant.

FARGO VA

Every day, the dedicated professionals at the Fargo VA and our outpatient clinics across North Dakota and northwest Minnesota strive to ensure our patient satisfaction scores remain high. Here in Fargo, according to the HCAHPS (Hospital Consumer Assessment of Healthcare Providers and Systems) Survey, the Fargo VA has the highest patient satisfaction scores compared to all major local hospitals. We've also earned a rating of five stars out of five stars!

According to the survey, 86% of our patients reported YES, they would definitely recommend the hospital. 86% also reported our doctors "Always" communicated well. And 87% reported our nurses "Always" communicated well.

HCAHPS is a standardized survey instrument and data collection methodology that measures patients' perspectives of hospital care. A partnership of public and private organizations created HCAHPS to publicly report the patient's perspective of hospital care. The HCAHPS results allow consumers to make fair and objective comparisons between hospitals and with state and national averages on important measures of patients' perspectives of care.

Post 21 Car Show Highlights

Another year another great car show. The word is out; Post 21 has great car shows. On Aug 3rd Post 21 had their annual car show and there were 85 cars shown, this is an all-time high. We had cars from Moorhead, Dilworth, Sabin, Hawley, Baker, Rochester, Vergas, Lake Park, Gary, Perley, Halstad and Glyndon, all from Minnesota. From North Dakota we had Fargo, West Fargo, Hillsboro, Casselton, Walcott, Reiles Acers and Lisbon. With this turn out there were many compliments on the show, the cars, club, burgers, parking space, dash plaques and Music.

It was a good day for the club. Many new visitors to Post 21. Over 220 burgers sold and the bar was also busy. Again I heard the comments, "I really come for the burgers", "Best burgers in town". A great job done by the kitchen and bar staff of Post 21.

The 2019 car show again was a success because of the staff and volunteers of Post 21. Many thanks to Mike Carney (Club Mgr), Scott Moen (Post 21 Adjutant), Fred and Barb Wenger, Jerry and Betty Carney, Don and Carolyn Johnson, Dennis Beckerleg, Jim Aasness, Bubby Christie, Lucy Fitzgerald, Gay Rudrud and Kylie.

Legion Act Signed into Law

In a significant legislative victory for The American Legion, President Trump signed a bill July 30 that declares the United States has been in a state of war since Dec. 7, 1941.

The American Legion sought the declaration as a way to honor approximately 1,600 U.S. service members who were killed or wounded during previously undeclared periods of war.

The LEGION Act (Let Everyone Get Involved In Opportunities for National Service Act) also opens the door for approximately 6 million veterans to access American Legion programs and benefits for which they previously had not been eligible.

Minnesota's own Past National Commander Dan Ludwig, from Red Wing Post 54, was witness to and was a leading influence in getting this historic piece of bipartisan legislation passed. We welcome with open arms ALL of our fellow Veterans along with their families to be a part of The American Legion family!

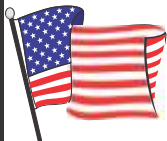

“Recognizing the service of these wartime veterans is the right thing do and it is long overdue,” National Commander Brett Reistad said. “The families of those who were killed or wounded during these wartime acts should take pride in knowing that we recognize their sacrifice and service. Moreover, we are proud to welcome any of the six million living veterans from the previously unrecognized periods into our organization and call them 'Legionnaires.’”

Now that the legislation has been signed, The American Legion's eligibility criteria immediately changes from seven war eras to two: April 6, 1917, to Nov. 11, 1918, and Dec. 7, 1941 to a time later determined by the federal government. No other restrictions to American Legion membership are changed.

Congratulations to Mike Offerman for being the first Legion Act Veteran to sign up with the Melvin E. Hearl Post #21.
